7 Card After Closing Campaign II

Greeting Card Campaigns – easy, affordable and elegant

Our After Closing Campaign is a unique and effective way to say thank you to your clients.

Each card is:

- Digitally signed (your signature, scanned and printed)
- Beautifully addressed with a handwriting font
- Optional business card insertion
- Matching envelopes
- Stamped and mailed on your behalf
- An email notification is sent to you when each card is mailed so you can follow up with a phone call

Let us take care of the details so you can take care of your clients!

How It Works

- You send in your client's closing information.
- We Print a beautiful digitally signed (with your signature) greeting card, address in a calligraphy font, stamp (with a real stamp) and mail (within 5 days of receiving your client's data).
- Then, every 6 months we send another – for a full three years! We will email you that the card has been sent.

****** If you are co-marketing with another professional, you each pay half (billed separately) and we email them too! (They will be forever grateful to you that you have set up this brilliant campaign that goes on for three years and costs less than lunch!)

\$40 + \$15 one time setup fee
