7 Card Thank You Campaign

Greeting Card Campaigns – easy, affordable and elegant

This program will have customers singing your praises to everyone they know. We'll send one card 2-4 weeks after the closing date, and then mail one greeting card every six months for 3 years. These cards are printed with your digital signature and the envelopes are printed with a beautiful hand-writing font. We'll insert your business card for you as well for no additional cost. We keep track of the dates, send the mailings, and let you know when a card has been sent.

Each card is:

- Digitally signed (your signature, scanned and printed)
- Beautifully addressed with a handwriting font
- Optional business card insertion
- Stamped and mailed on your behalf
- An email notification is sent to you when each card is mailed so you can follow up with a phone call

Let us take care of the details so you can take care of your clients!

How It Works

- You send in your client's information.
- We print a beautiful digitally signed (with your signature) greeting card, address in a calligraphy font, stamp (with a real stamp) and mail (within 5 days of receiving your client's data).
- A greeting card will be sent out to your clients every six months for three years. Your customers will feel appreciated and valued and will thank you with referrals.

****** If you are co-marketing with another professional, you each pay half (billed separately) and we email them too! (They will be forever grateful to you that you have set up this brilliant campaign that goes on for three years and costs less than lunch!)
