## **3 Card Birthday Campaign**

*Greeting Card Campaigns – easy, affordable and elegant*

Our Birthday Campaign is a unique and effective way to celebrate with your clients. Our birthday card campaigns consist of three cards, one mailed each birthday for three years.

Cards are signed with your digital signature (your actual signature scanned and printed) addressed with a handwriting font, inserted into envelopes, stamped and mailed. We will also email you when each card is mailed (so you're not surprised when they thank you!). All you do is enjoy the gratitude of your clients!

**\*\*** If you are co-marketing with another professional, you each pay half (billed separately) and we email them too! (They will be forever grateful to you that you have set up this brilliant campaign that goes on for three years and costs less than lunch!)

### **How it Works**

- Pick Campaign (Campaign 1, 2, or 3)
- Send us your client's birth dates
- We'll take care of the rest

#### **Each card is:**

- Digitally signed (your signature, scanned and printed)
  - Beautifully addressed with a handwriting font
    - Optional business card insertion
  - Stamped and mailed on your behalf
- An email notification is sent to you when each card is mailed so you can follow up with a phone call

**Let us take care of the details so you can take care of your clients!**

**\$25 + \$15 one time setup fee**
